**Re: PSC Docket No. 137-CE-139:**

Application of American Transmission Company, as an Electric  
Public Utility, to Construct a New Waunakee Substation and  
Build a New 138 kV Line From the North Madison Substation to  
the New Waunakee Substation in the Towns of Vienna and  
Westport, Dane County, Wisconsin

Dear Ms. Paske:

During the Pre-hearing held on September 14, 2006 associated with the  
above described docket, the West Waubesa Preservation Coalition was  
granted party status by Administrative Law Judge Edward Marion.

The West Waubesa Preservation Coalition stipulated that we would receive  
service via electronic media.

Please add the following email addresses to the service list for Docket No.  
137-CE-139:

[meadowviewfarm@msn.com](mailto:meadowviewfarm@msn.com)

[cranesflyover@sbcglobal.net](mailto:cranesflyover@sbcglobal.net)

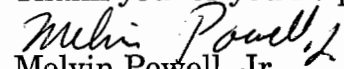

[Phyllis@terracom.net](mailto:Phyllis@terracom.net)

We request that service be given to three addresses in order to insure receipt  
in the event of equipment or internet provider service failure. If this is not

possible, please use meadowviewfarm@msn.com as the address for service via electronic media.

It is assumed that there is a mechanism in place for acknowledging service received via electronic media.

Thank you for your help.

  
Melvin Powell, Jr.
